## Investing in Growth

OUR COMMITMENT TO EXCELLENCE

PRH Group is thrilled to announce some notable updates and accomplishments from February. We have made significant progress by enhancing the size and reliability of our fleet, enabling us to broaden our services and cater better to our clients' needs. Additionally, we have invested in our workforce. In line with our dedication to ongoing learning, our leadership team successfully completed a 12-week leadership course.

The training has been valuable for our team, and we are now focused on enhancing standardization and boosting the utilization of lean tools in our daily operations. This involves expanding our library of SOPs and systematizing our processes to reduce waste and enhance efficiencies, ultimately benefiting our customers.

## In this newsletter you will find:

updates on our commitments to safety ,training, the community and our stakeholders. Keep Reading!

## EVENTS

PRH Group had the opportunity to be apart of the Fortress Bank Tank event, highlighting its commitment to supporting entrepreneurship and innovation. LaQuanda Hoskins, the respected Chief Financial Officer of PRH Group, was selected to join the distinguished panel of judges, evaluating the visionary pitches of four outstanding entrepreneurs.

With a sharp attention to detail and a wealth of experience, Hoskins and her fellow judges scrutinized each business concept, considering its viability, potential impact, and scalability. Their constructive feedback aimed to empower the entrepreneurs and drive their ventures toward success.

The event was further elevated by two dynamic emcees, both former participants of the renowned "Shark Tank" series. Their lively energy and humor brought an added layer of excitement and camaraderie to the occasion, ensuring active engagement from both participants and audience members throughout the evening. Winners of this event were award \$25,000 from Fortress Bank.

## Strategic Partnership, Alignment & Memberships

We are delighted to share that PRH is now a proud member of the Saginaw County Chamber of Commerce. This membership showcases our commitment to building strong community connections and fostering collaboration opportunities, enhancing our influence and involvement in the region.

Additionally, we've partnered with Birds Eye Aerial Drones (BEAD) to enhance our range of customer services, delve into technological innovations, and bring added value to our customer community. For more details, check out this [PRESS RELEASE](#)
