PRH GROUP AIDS IN HURRICANE BERYL RECOVERY

During the challenging aftermath of Hurricane Beryl, PRH Group, Bird Electric, and CenterPoint Energy united to support over 2.6 million customers of Houston, Texas. Despite the conditions & high temperatures, PRH Group's dedicated team worked tirelessly to swiftly and safely restore power. We express our deepest appreciation to our committed crew members and their supportive families for making this crucial mission a success.

KICKING OFF OUR LEADERSHIP BOOK CLUB

Strategic planning and leadership development are central to PRH Group's mission. Our Leadership Book Club was launched this month to foster professional and personal growth among our leadership team, which plays a crucial role in advancing our strategic objectives. We express a special thank you to Coach Marcia Erickson for recommending our first read.

SAFETY FIRST: BACK-TO-SCHOOL AWARENESS

As we move into the new month, it's crucial to be mindful of safety, particularly with the upcoming school season. Children will be walking, running to catch buses, and crossing intersections, often without a full understanding of the potential risks. Let's come together and promise to adhere to speed limits, remain watchful, and guarantee that every child reaches school and returns home safely.

Thank you for being a part of PRH Group's journey. We look forward to continuing our work together and achieving great things in the months ahead!

We value communication and are committed to providing the best possible service to our customers. If you encounter gaps in our service, please don't hesitate to contact us for help. We are always available to collaborate with you on solutions to any electrical supply issues.
