STORM RESTORATION: A YEAR-ROUND COMMITMENT

While some may think storm restoration is a seasonal effort, the cold winter months bring unique weather challenges that demand our expertise. In November, PRH was called to assist with restoration efforts following wind and low temperatures in the Northeast region. Partnering with MTV Solutions, we provided vital support in the Avangrid Service Area. Power outages during these cold months are a serious concern, and PRH remains committed to restoring power quickly and safely.

SAFETY SPOT: WINTER TIPS

Your safety matters to us, both on and off the job!
Stay safe this holiday season with these important tips:

- **Holiday Shopping:** Stay alert in parking lots and avoid carrying significant amounts of cash.
- **Driving in Bad Weather:** Check your tyres, drive slowly, and keep an emergency kit in your vehicle.
- **Home Safety:** Inspect holiday lights for frayed wires and avoid overloading electrical outlets.

DRESS IN SEVERAL LAYERS

of loose-fitting, lightweight clothing instead of a single heavy layer. Outer garments should be tightly woven and water repellent.

FOR YOUR CAR,

check your antifreeze, battery, defroster, windshield wipers, wiper fluid and other vehicle equipment. Clear all snow from your vehicle before driving, and always drive slowly in bad weather.

WHEN USING ALTERNATIVE HEATING SOURCES,

keep a fire extinguisher handy and ensure everyone knows how to use it properly.

WE ARE PROUD OF OUR CREWS' COMMITMENT TO SAFETY, EFFICIENCY, AND EXCELLENCE IN EVERY COMMUNITY WE SERVE.

NETWORKING AND COLLABORATION

ENGAGING IN THE ENERGY INDUSTRY

The stakeholders and key leaders of PRH had the honor of attending the **Michigan EIBC and AABE Members Meet & Mingle** event.

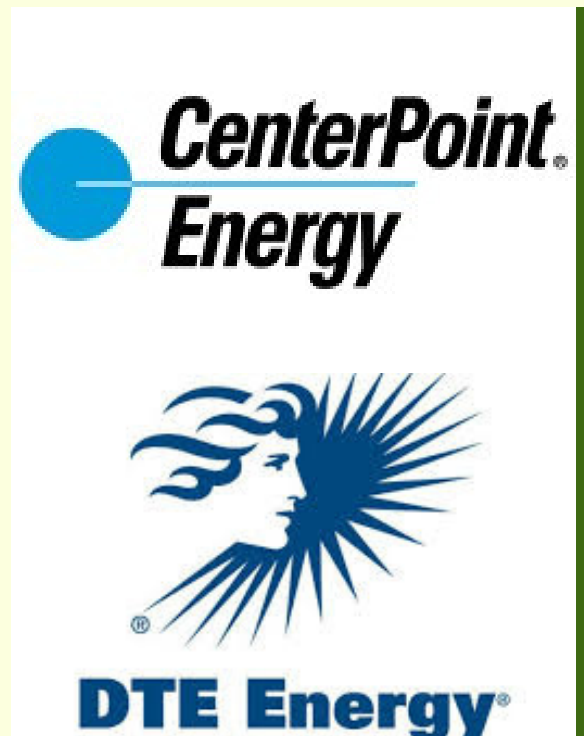

This occasion served as a valuable opportunity to establish connections and engage in significant discussions regarding the future of the energy industry and the role of PRH within this evolving landscape.

FOCUSED ON GROWTH AND SAFETY

Continuous growth remains a top priority for PRH Leadership. In November, we participated in two pivotal industry events:

- **The Center Point Contractor Safety Round Table**
- **The DTE Fall Storm Simulation Exercise Event**

We enjoy partnering with our customers to grow together and help better meet their needs. Both events provided impactful insights into enhancing safety practices and operational excellence. Additionally, our November and December strategic strengthening sessions have positioned PRH for a strong start to 2025.

COMMUNITY ENGAGEMENT: GIVING BACK WITH GRATITUDE

The Thanksgiving season served as a beautiful reminder of the significance of family, friends, and community. At PRH, we are honoured to uphold the spirit of giving through our 2nd Annual Turkey Dinner Giveaway. This year, we are committed to providing 450 turkey dinner baskets to families in need, made possible by our devoted employees, friends, and volunteers. Motivated by the success of last year's initiative, we aspire to enhance our efforts and make this year's giveaway even more impactful.

PRH GROUP POWERS UP FOR A STRATEGIC 2025

On December 16, 2024, PRH Group's leaders convened for a strategy session to chart our course for success in 2025. Facilitated by Action Coach Marcia Erickson, this session emphasized our commitment to achieving our Wildly Important Goals (WIGs). This meeting followed a transformative business retreat on December 5-7, 2024, where we reflected, refined our vision, and tackled some of our biggest opportunities and challenges to better position us for achieving our business goals in 2025. PRH Group is prepared to enhance our impact in the outdoor electrical construction industry, and take 2025 by storm! We are excited to embrace innovation, strengthen our partnerships with our customers, and lead with purpose. Here's to a powerful and productive 2025 🍷!

THANK YOU TO OUR VALUED CUSTOMERS

To all **our customers** who trusted us with their service territories in 2024, we appreciate you and your business. Your feedback is invaluable, and we invite you to share your experience by [clicking the picture below to complete our 2-minute survey](#). To all of our future customers, we look forward to partnering with you in 2025.
